God Gives and God Takes by **Rabbi Allen S. Maller**

God gives opportunities for us to love but not forever.

God takes opportunities away after a while.

So don't hesitate or delay or curse the darkness while
remaining mired in sadness and hopelessness,
because God gives; and God takes away.

Blessed be the name of the LORD.

But why bless the LORD when God takes away?

Because if the opportunities were always there, we
would wait until the time was just right and never
make the leap, and more of life would slip away.

So God gives and God takes; Blessed be God's name.
